

Lazarillo de Tormes

- Género: Novela picaresca
- Anónimo aparece en el año 1554
- Aparece en Holanda , en aquel entonces parte del Imperio español, y pronto apareció en el *índice* de los libros prohibidos por la inquisición por su carácter heterodoxo y anticlerical.
- Es una novela moderna con un punto de vista cínico y crítico y un intenso realismo social. *El Lazarillo* nos presenta una imagen de España muy diferente a la que la iglesia y la monarquía querían proyectar. Muestra como la literatura es importante para medir la realidad histórica y social de un pueblo.
