Below it, the version number '6.4' is displayed in a blue box, followed by five stars and the text '2855 VIEWS'. To the right of the folder icon, the text reads 'File was found and ready to download!' and 'UPDATED 14 HOURS AGO'. Below this, it says 'Fastest Source: useenet.nl' with a checkmark under the domain. A blue 'Download' button with a download icon is visible, along with a 'SECURE SCANNED' badge. Below the download button, there is a message: 'Click the download button and select one of the found cloud sources.' At the bottom of the page, there are three icons with labels: 'Navigation' (a list icon), 'Registration' (a group of people icon), and 'FAQ' (a lifebuoy icon). A message above these icons states: 'You need to log in before you can post comments.'
